

2015 Chattanooga Track Club Runner of The Year Points

Points current through **The Wauhatchie Trail Run - Non-Roy and Vol points current through Wed Jan 13, 2016**

***** UPDATED FRI JAN 16 ***** All non ROY and Volunteer points that I have been provided have been updated and all corrections reported to date have been posted. If you have not sent your non-ROY event points or Volunteer info in yet, or if you need to report and corrections or missing results, please mail them to me as soon as you can - Bill Brock

Please report any errors or needed corrections to Bill Brock

Note on Junior-Only Points 5k events: When you see two listings for an event (SCH 5k/Half, ChickChase 5k/15k, Raccoon 5k/10k), the shorter events score ROY points only for junior age groups (age 15 and under on 06/30/2015) and the longer events score ROY points only for all other age groups. Juniors can not earn ROY points in the longer races in these events, nor can other age groups earn ROY points in the shorter races.

Note on 2015 ROY Age Calculation: Please note that your ROY Age Group for 2015 is based on the age you are on June 30, 2015. This is a change from prior years when it was based on your age at the end of the year. This change is intended to more fairly balance between those who's birth dates fall later in the year vs. those whose fall earlier in the year.

Note on Ties: In the event of a tie, winner will be determined to be the individual with the majority of wins (faster times) in head-to-head comparison across all ROY events that the tied individuals competed in.
