Note on Junior-Only Points 5k events: When you see two listings for an event (SCH 5k/Half, ChickChase 5k/15k, Raccoon 5k/10k), the shorter events score ROY points only for junior age groups (age 15 and under on 06/30/2016) and the longer events score ROY points only for all other age groups. Juniors can not earn ROY points in the longer races in these events, nor can other age groups earn ROY points in the shorter races.

Note on 2016 ROY Age Calculation: Please note that your ROY Age Group for 2016 is based on the age you are on June 30, 2016.

Note on Ties: In the event of a tie, winner will be determined to be the individual with the majority of wins (faster times) in head-to-head comparison across all ROY events that the tied individuals competed in.
